OXYMORONS

Is it good if a vacuum really sucks?

Why are a “wise man” and a “wise guy” opposites?

Why is bra singular and panties plural?

Why do we put suits in garment bags and garments in a suitcase?

How come abbreviated is such a long word?

Why does “fat chance” and “slim chance” mean the same thing?

Why do we sing “Take me out to the ball game” when we are already there?

There is a LOT of good information on the **National Kiwi Club** website...including other chapters newsletters with pictures. Go to thekiwiclub.org to check it out.
