Greetings from your President...

Happy Upcoming Spring, Everyone!

We wrapped up the year in the very best way at our December Christmas party. The potluck was delicious, the tree ornament exchange was full of laughter and surprises, and most of all, it was such a joy to reconnect with one another. (There are no Minutes for December though we did talk about Convention and distributed Opportunity Tickets to those who wanted them.) There's nothing quite like gathering with our special group. I hope many of you are planning to join us for our March luncheon in Manhattan Beach — it will be another wonderful time to catch up and celebrate together.

A quick reminder to please send in your check and ticket stubs for any Convention Opportunity Tickets you purchase or sell. One very lucky winner will receive **250,000 AAdvantage Miles** — what a fabulous prize!

We're also closing in on one of my favorite days of the year — the day we set our clocks ahead. I know everyone has an opinion about whether we should keep it or lose it, but I just love that extra hour of daylight. There's something so uplifting about a longer evening, especially when it ends with one of those absolutely gorgeous dusks as the day gently winds down. (Just one woman's opinion!)

I'm looking forward to seeing everyone next month. Please let Pam know if you'll be attending so we can arrange tables and chairs to comfortably accommodate all. (Wear something green!) 🍀

Stay well and enjoy the rest of what has been a fairly lovely winter month.

Big Hugs,
Linda

IT'S MARCH MADNESS!!

Statistically, March is the most unproductive month of the year in the U.S. This is the result of "March Madness" which is the season of the NCAA. Some companies lose up to \$1.9 billion in wages paid to workers who were not productive and instead spent company time betting on the NCAA tournament.
