Hello Kiwi's!

We had a fantastic luncheon at the Feast and Fareway at the Coronado Golf Course thanks to Woody Watkins and Jo Antrim. It was a beautiful day, the food was delicious and the view was stunning. Jo and Woody even had beautiful flower arrangements (Jo even threw in some roses from her garden!) and individual chocolates to munch on before lunch. This is one restaurant that I hope we pick again. Please look at the pictures of our luncheon on the last pages.

It is that time of year again to submit our yearly charity donation to the Wings Foundation. The donation is \$25 minimum made out to LAX Wings Foundation. If you are attending the luncheon you may give your check to Carole Breise directly. For those that are not attending please mail your check to Carole. Her address is on the luncheon page, please note that this is a new address.

Unknown to most historians. William Tell had an older and less fortunate sone named Warren.

It was a special moment, as father and son watch their weekend project attract it's first tenant.
